This appendix serves as an explanatory statement as required under the Listing Rules to provide the requisite information to the Shareholders concerning the Repurchase Mandate proposed to be granted to the Directors.

1. LISTING RULES FOR REPURCHASE OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

2. FUNDING AND IMPACT OF REPURCHASES

Any repurchase of the Shares under the Repurchase Mandate will be financed from the funds legally available for such purpose in accordance with the memorandum and articles of association of the Company, the Listing Rules and the applicable laws of the Cayman Islands.

Under the laws of the Cayman Islands, repurchases by the Company may only be made out of profits of the Company or out of proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the Company's profits or share premium account, or, if so authorised by the Articles of Association and subject to the provisions of the Companies Act, out of the Company's capital.

The Directors consider that the exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing level of the Company. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 March 2025, being the date of the Company's latest audited consolidated financial statements) which in the opinion of the Directors are from time to time appropriate for the Company. The number of the Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 621,876,317 Shares.

As at the Latest Practicable Date, there was 3,332,278 outstanding share options granted under the Share Option Scheme.

Subject to the passing of the relevant ordinary resolutions to approve the general mandates to issue and repurchase Shares and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 62,187,631 Shares, representing 10% of the aggregate number of Shares in issue. The above mandate will expire on the earliest of: (i) the conclusion of the next annual general meeting of the Company; or (ii) the date by which the next annual general meeting of the Company is required to be held by law or the Articles of Association; or (iii) the date upon which the Repurchase Mandate is revoked or varied by an ordinary resolution of the Shareholders at a general meeting of the Company.

4. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Company to repurchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Cayman Islands and the Memorandum and Articles of Association.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as that term defined in the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.
